

ulano®

ALL-PURPOSE INK WASH™

A Versatile, Solvent-Blend Ink Wash for Most Screen Inks

All-Purpose Ink Wash is a blend of solvents for the manual removal of virtually all screen printing inks. **All-Purpose Ink Wash** can also be used as an activator for dried **Walk Away Haze Remover**.

Ulano Total Screen Chemistry products are manufactured to the highest standards in the industry. They are completely compatible with all Ulano stencil systems—Direct Emulsions, CDF® Direct-Films, Indirect System Photographic Films, Knifecut Stencil Films, and Ulanoline® Direct/Indirect Films. Together, they comprise a comprehensive system of screen care and stencil production products for the quality-oriented screen printer. **Ulano Total Screen Chemistry** products enable screen printers to make consistent, trouble free stencils—every time.

PRODUCT FEATURES

Advanced formulation
